The Arthur Cresswell Memorial race is ran largely in open country. It is relatively easy, but there is Child’s Hill between kilometre 12 and 18, which is quite a test of fitness. Once you are over this hill, at about 30km, cross the highway and turn onto a dirt road. This provides a welcome break from the visual monotony, as you run through forest and farm areas. After the turn back onto the main Ladysmith road you will find some testing pulls at about 45 kilometres. Here it is hot and hard, but the end is near. The run into Ladysmith is easy and mainly downhill.
